Which camp should I choose?

Open camps are for students who have little or no riding experience (walk/trot, some canter) or students who need to learn entry-level knowledge about horses (anatomy, horse & hoof care, tacking & untacking, etc.) These camps are full of riding and ground experiences with the horses and instructors at Brier Bank. Come to one or come to all; each camp will be a little different, and your child will learn something new each time!

Our advanced camps vary greatly this year. If you have questions about whether your child might qualify for attending an advanced camp, please give us a call. Some student may also qualify for an advanced camp after attending a week of open camp.

Open Camps

This year we are offering three weeks of 5-day open camps (June 4-8 & July 30- Aug 3). These camps are for children ages 6-18 with or without previous riding experience. We provide the horse, or you can bring your own.

Kids will have time to learn with an instructor one-on-one and in a group setting. They will play a variety of fun games on horseback and learn about horse safety and responsibility!

We have large indoor and outdoor riding arenas and an air-conditioned room where we will cool down and eat lunch. On Friday at 1pm, campers will provide a show that will demonstrate their riding prowess from what they learned throughout the week!

*Advanced Camps

We are proud to offer several advanced camps this year.

June 11-13 is a 3-Day Pony Club Rally Preparatory Camp. This camp is offered to Pony Club members ONLY.

July 13-14 is an Overnight Sleep Under the Stars Camp. This camp is offered to BBF students and previous campers ONLY.

July 16-20 is a 5-Day Jumping Camp for campers with previous experience over fences.
